

Parenting Boys for Success at School

By

New Zealand's Leading Educator

In

Boys' Education

Joseph Driessen

In the Seminar you will learn:

- How to activate boys' motivation
- Why challenges and goals are so important for boys
- What boys will read, and why this is so
- Why boy's learning styles are different
- How to find out the optimum learning environment of our son
- How to make homework part of your son's life
- How to provide structure and help your son to lift his achievement
- Why boys value efficiency and speed, and how this affects their grades
- How to inspire your son to reach for high standards
- Why boys need help with their organisational skills
- How to provide guidance and discipline for boys
- Mothers' mentoring skills for their sons
- Essential parenting skills for fathers
- How to strengthen your son's masculine identity and self confidence
- Relationship building with sons- How to do it, and how not to do it
- How to provide balanced parenting by split families
- The 5 essential ingredients for happy and successful children in split families
- What to do if your son is not doing well at school
- 7 sure ways to solve problems at school
